

B. W. HARRIS EPISCOPAL HIGH SCHOOL

13TH ANNUAL CONVENTION

SOUVENIR PROGRAM

Atlanta, Georgia
July 1st - July 3rd, 2005

"Restoring The Hope: Preserving The Dream"

B. W. Harris Alumni Association
13th Annual Convention
Atlanta, Georgia
July 1st to July 3rd, 2005

OUR VISION

"WHERE THERE IS A NO VISION, THE PEOPLE PERISH"
Proverb 29:18

We the Alumni, Former Students, Friends and Well-Wishers of the B.W. Harris Episcopal High School declare the vision through the guidance of Almighty God to form our family that seeks the educational enlightenment, character formation and religious growth of the children of Liberia. We wish to let our light shine forth and communicate the teachings of the Gospel to new generations in the church and the community. We re-affirm our commitment to making our Alma Mater a citadel of learning and guaranteeing a better and more promising future for the youths of Liberia. We view education; therefore, as a liberating experience, attained through clear, effective and intelligent thought applicable throughout life. We will strive to make a difference by providing the human, financial and material support in order to motivate students to develop their faculties to their fullest potential. We also awaken, explore and promise interest and involvement of all Alumni and Former Students in our Alma Mater to engage in social service and fund-raising activities.

This is our **VISION** and together we can make a difference.

MESSAGE FROM GAIL FARNGALO

PRESIDENT, BWHESAA

GEORGIA CHAPTER

July 1, 2005

On behalf of the Georgia chapter of The Bravid Washington Harris Episcopal School Alumni Association, I would like to extend a hearty welcome to all of our fellow alumni and friends joining us in our celebration of commitment.

Our role as participants in this august occasion is one of stewardship; reflective of the efforts exerted toward the accomplishment of our aims and objectives. As stewards, our concern is to assure sustenance, substance and longevity for our Alma Mater. Nowhere is this more apparent than amongst the strong and dynamic members of the Georgia chapter.

The success of convention 2005 is an accomplishment indicative of the arduous endeavors of our members. Human and financial might went into actualizing the planning task. The Atlanta Chapter and the planning committee are to be applauded.

With the awareness of the time and resources that you have sacrificed to be in Atlanta, as the organizing and hosting chapter, we are proud to welcome each one of you once more, and fervently hope that the interaction, the exchange of ideas and festivities will be worth your time and financial commitment.

May our deliberations yield productive outcomes, and may we continue to grow in scope, thereby increasing the possibilities that we have to offer our Alma Mater, our homeland, and the world at large.

We look forward to a successful Convention 2005, and beyond.

MESSAGE FROM WILHELMINA ANITEYE NATIONAL CHAIRMAN, BWHESAA

July 1, 2005

FELLOW SPARTANS, FRIENDS AND WELL WISHERS:

Once again, we have come the end of another year when we must celebrate our beloved Association and all that it stands for. These are for the present, past and the future.

As we continue to our goals and objectives, we were blessed with the commitment of our talented and skillful members who have worked without season to make this day a reality.

Please allow me to express sincere gratitude to our Executive Officers, Board Members, Chapter Leaders and the entire Spartan Family for your faithful services throughout the year. There were many challenges, but we were able to overcome them. All of us started the year, some saw it to the end and others fell by the way side. In either way, we want you to know that all your hard work is appreciated and we encourage you to not grow weary in well doing.

The process of moving to the next level is now underway and there is no turning back. We have ceased to be a seasonal organization and have turned into one that is year round.

In addition to improving the infrastructure of the school and other related commitments, we have worked on our public relations and internal communications so as to keep members abreast of happenings within the Association. The Spartan Newsletter was launched and placed on the website for easy access.

We have begun communications with the business and education communities to acquaint them with our mission and to solicit their support in helping us meet our commitment to the school and less fortunate Spartans at home. Currently, our website is being accessed locally and internationally by Spartans and well wishers all over the world. Consequently, it behooves us to deliver continuous quality service. WE ARE NOW BEING OBSERVED BY THE WORLD AND THE MANNER IN WHICH WE CONDUCT OUR AFFAIRS WILL DETERMINE THE LEVEL OF SUPPORT WE RECEIVE.

Financial accountability and transparency has also been one of priority. We now have a report format in place that encourages financial discipline.

As we celebrate Convention '05, lets us look deep into our hearts and consciences and recommit ourselves by starting a contagious attitude of persevering and concentrating on the positives as they are what will guarantee our success. Anything to the contrary will only stifle our efforts and cause us to become non-productive.

We are the hope for our school, Liberia and the less fortunate children it sets out to train. Lets make them a priority and come together to make yet another Spartan dream come true. Remember, The Future of "Liberia's future Leaders " is in our hands and their success depends on how well we make available the tools they require to be good leaders.

Thanks again to the President, Officers and members of the Georgia Chapter for hosting these celebrations. We thank the entire Spartan Family and all our friends and well wishers for all your support throughout the year.

Please celebrate yourselves as we are in this moment because of your hard work.

Spartanly yours,

Wilhelmina

MAYOR

55 TRINITY AVENUE, S.W.
ATLANTA, GEORGIA 30335-0300
TEL (404) 330-6100

July 4, 2005

Greetings:

Liberia is home to a rich, historic culture whose children understand that we must actively work to achieve a beloved community.

Deep within the soul of Liberia, a heart contracts and expands to the beat of a lasting legacy that challenges injustice and demands equality. This is the impetus with which many women and men grow bold enough to stand in the face of adversity with indefatigable courage.

These vanguards promote an unwavering leadership that transforms noble ideals into tangible realities. This magnanimous steadfastness is evident through the work of Liberians throughout the African diaspora. Today, we welcome some of these vanguards to Atlanta.

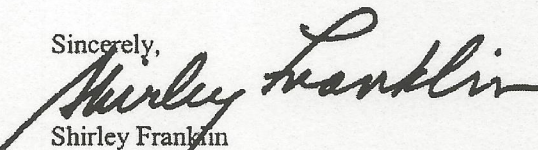

The Bravid Washington Harris Episcopal School Alumni Association's annual convention expresses and reinforces a devout commitment to enhancing the educational opportunities for young students in Liberia. The city of Atlanta salutes you for working to reconstruct and redevelop the Bravid Washington Harris Episcopal School.

In the tradition of Africans in America who ventured east across the Atlantic Ocean to reclaim identity and embrace freedom, this alumni association also works to revitalize this history.

Education is capable of revolutionizing our cities. From Atlanta to Liberia, educational opportunities have made the difference between opportunities and limitations. Thank you for choosing to host this essential event in our city.

On behalf of the people of Atlanta, I extend best wishes to you for a successful and rewarding conference. Enjoy Atlanta!

Sincerely,

Shirley Franklin

MESSAGE FROM JUANITA E. MASON NEAL
President, Board of Trustees
B. W. Harris Episcopal School
Monrovia, Liberia

July 1, 2005

Greetings to the B. W. Harris Alumni Association in the United States of America and Congratulations and best wishes on the occasion of the celebration of your 13th Anniversary!!

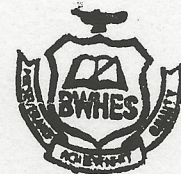

The B. W. Harris Episcopal School in Monrovia is at the point where two roads diverge. We can continue the present trend of licking our past wounds and blaming all our troubles on the war, or we can set a course for new directions. It is more than physical structures that have been destroyed and more than books, benches, lab equipment and other tools of education that have been stolen, broken, or marred. The scars of the recent past are many and varied. The Alumni Association of the USA has been our partners in the fight to replace lost or damaged infrastructure and logistics. Now in addition to this we must embark on a decided campaign to redirect and renew the thought patterns of the next generation of Spartans.

The Board of Trustees has begun a process of Institutional Reform at B. W. Harris that will challenge you, BWHESAA, parents, students, faculty and staff. The process involves: a new student handbook, a new handbook for teachers, contractual agreements between staff and Board (as employer/employee) and a whole new approach that will move the Spartans out from the ordinary and set us apart. In some cases new staff and teachers will be employed who are able to meet the standards set by the Board. Many of the present staff and teachers will be replaced in the new academic year - especially those who bring no added value to the school. Hard decisions will be made, a better student/teacher ratio, better lab services, a better library, electives that can take a student from classroom to workplace if necessary. We will recruit the staff required to cope with the reforms and that will mean better salaries, and tighter rules.

There are budgetary implications. Tuition cannot be increased. Higher costs are unaffordable to parents. We need BWHESAA support for budget performance. The 2005/2006 budgets will be forwarded to you through the BWHESAA representative on the Board. We look forward to your focused and targeted support, and your fullest participation in the planning process. Together we can achieve the best for B. W. Harris.

B. W. Harris Episcopal School

Liberia, W. A.

May 12, 2004

B. W. Harris Episcopal Alumni Association
465 Oak Springs Drive, N. W.
Lawrenceville, Georgia 30043

Attention: Mrs. Wilhelmina V. Wilson Aniteye - Chairman

Dear Spartans:

Another year has come and gone and you are now celebrating your 45th Anniversary of the founding of the B. W. Harris Episcopal School. You all can still be seen as a group concerned, and sharing the Blessings of God which you have received through His grace to keep you all united, one body, one mind, and focused, on doing all you can for those who are in need and less fortunate than you all are.

We are thankful to God that this Academic Year 2004/2005, has been a MUCH better year than the previous one. We have moved on thanks first to God, the Bishop and most of all, to your Association for facilitating a much better environment for the students to study and work in. The roofs of ALL the buildings have been completed. We were also blessed to have received a generator from Chairman C. Gyude Bryant in order to prepare for the commuters you have for the school. I must say here, that others seeing the time, efforts and financial assistance you have and continue to render to B. W. Harris, they are also impressed and have come to appreciate the formation of your Organization and to note that your aims and objectives for which you started, still remains the same and focused.

We are again privileged by your generosity, to better improve the School's environment by your recent offer to assist us with the painting and the installation of razor wires as a security precaution.

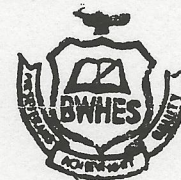

We thank God for all of your efforts in making B. W. Harris Episcopal School one among the best. As you celebrate your 45th Anniversary, I assure you we will be with you in mind and spirit. May God continue to be with all of us, as we **PRESERVE** for the **ACHIEVEMENT** of **QUALITY** education for our youth, with the hope that your efforts today, will make a difference for a better Liberia tomorrow. Thank you all again.

Sincerely yours,

Robert A. Phillips, (Rev.)
ACTING PRINCIPAL

B. W. Harris Episcopal School

Broad Street - Snapper Hill
P. O. Box 10-0568
1000 Monrovia 10
Liberia, W. A.

December 1, 2003

Mrs. Wilhelmina V. Wilson Aniteye
CHAIRMAN
B. W. H. A. A. and Class of 1971
465 Oak Springs Drive, NW
Lawrenceville, GA 30043

Dear Mrs. Aniteye:

I have received your letter requesting information regarding the general condition of the school, and your desire to assist us in whatever way you possibly can.

First of all, I would like to again thank the B. W. Harris Alumni Association of America for not only the concern, but the support that you all render the Institution. It is comforting to know, that even though you all have left the School, your hearts and support are still with us. We appreciate all that is done by the Association to keep the spirit alive at B. W. Harris.

You have requested the following:

1. A complete report indicating the extend of damage done to the building (property) along with pictures and/or a video tape where possible.

To the above, a survey was made regarding the extend of damages done and a video tape which is enclosed, was done. At the time of the video, we found three (3) rockets that had fallen on the premises, however, as we made temporary repairs on the roof, we found another rocket that had exploded in the roof, but had not fallen. This made a total of four (4) rockets that fell on the premises. We made a temporary situation on repairs by using a few tarpaulins to cover the damages in the roof in order to open school on October 20, 2003. Had we not done that, it WOULD NOT had been possible to open as we were in the raining season.

2. A copy of the school's budget.

A copy of the School's Budget is being faxed to you for your review. Unfortunately for the Institution, many students left the country during the war between what we Liberians refer to as, World War I, II and III. As a result of this, many families who left Liberia never came back. Many have resettled in neighboring countries as well as the United States and the enrollment has dropped. Because of this, it is very difficult for our Budget to support us as it has in the past.

3. Enrollment size and number of teachers/staff;

In the past, the classes had been overcrowded and the Board had requested that we limit the classes as follows:

- a) K - I and K - II we keep a combined total of 25 to 30 students. The reason for this, children at that age need more attention and care. Those are the formative years and very important in a child's life. Therefore, we must devote as much time and individual attention possible to insure that they get special care.
- b) Lower Elementary - 25 - 30
- c) Upper Elementary 25 -30
- d) Junior High - The Board has requested that a maximum of thirty (30) per class which makes it possible for students to ask questions and the teacher can still meet up with his/her Lesson Plan for the day.
- e) High School - The Board has requested that a maximum of thirty-five (35) per class which also makes it possible for students to ask questions and the teacher can still meet up with his/her Lesson Plan for the day.

The total number of students we have enrolled this year happens to be 353. Last Academic Year 2002/2003, we had 499.

3. Number of teachers and staff;

- a) We have a total of 43 full time teachers, and 7 part time teachers. The part time teachers are for Electives which start each year at the second period.
- b) As for staff, we have a total of forty-three (43) which includes from the Acting Principal to the Janitors and security.

4. General conditions of the school, ie, physical facilities (bathrooms, labs, teaching equipment, chairs, books teaching aids, etc.

The physical facilities have already been discussed above in item one (1). Video to that effective is attached.

The B. W. Harris bathrooms are the BEST amongst all the school. We are in the process of preparing the broken chairs. Most of them have already been completed.

The library could do with some good Reference Books in the following areas: Biology, Chemistry, Math, Physics, General Science, Economics.

There are urgent needs to upgrade the Chemistry, Biology and Physics lab, this will be faxed later. However, chemicals for the lab is so needed.

Teaching equipments - The K - I, K - II, Lower and Upper Elementary are in dire need of teaching and visual aids, readers/reading aids. For the reading skills, the following are suggested reading series. Scott Foresman, McGraw Hill, and Houghton Millsman. These series go from K I to six grade. For the French classes, they are requesting teaching aids including a good tape recorder. Not very large, to improve the quality of learning French. Hearing the recorded pronunciation and being able to follow with the reading materials which comes with it, will really make it easier for the students to learn.

+ As you are aware, OUR ENTIRE computer lab was taken away. As a result, we cannot offer computer this semester, and this is very important because most Institutions require that students must be computer literate. I have been told that in the States, often a company might get rid of computers that they feel are outdated at a low cost. Where they may be outdated for them, they are very useful for our purpose. This would be something to look into.

GENERATOR - This is an **urgent** need for the school. For some of the classes, depending on what the weather is like, it is very difficult for the students to see.

MIMEOGRAPHING MACHINE - This also **very urgent**. **ALL** of our exams are mimeographed. Teacher's and students grade sheets, as well as other documents

While almost everything is urgent, We would like to list our priorities in the following order:

- 1) Generator 25 -27 KVA
- 2) Mimeographing Machine
- 3) Computers, printers and software
- 4) Reading series and teaching aids
- 5) Reference books
- 6) Roof

I hope you can go over the above and whatever you all can do, will be highly appreciated. We again thank you all for your assistance.

Will be getting back to you shortly.

Sincerely yours,

Roberta A. Phillips (Rev.)

**A MESSAGE FROM
ROBERT GARGUAH, PRESIDENT
The Liberian Community Association of Georgia**

**P.O.Box 491955
Atlanta, Georgia 30349**

July 1, 2005

Greetings:

On behalf of the Liberian Community Association of Georgia and the Garguah Family, I would like to extend my warmest greetings and congratulations to the B.W. Harris Alumni Association. We are proud that you chose to return to the great city of Atlanta and the Liberian Community for your 13th Annual Convention.

As we recognize the many sacrifices and contributions made by those educators of the past and present, let us be reminded that we too have a responsibility to our Alma Mater, B.W. Harris and our beloved country, Liberia.

The task of reconstruction, rehabilitation and resettlement will be a long and challenging one, resting on the shoulders of all Liberians no matter where we are. The time has come for Liberians everywhere to unite, forget the past, close ranks, subordinate self, party and all other interests to the national interest in order to chart a clear path to the future of Liberia. This will enable us to restore democracy, promote unity, reconciliation and peace.

In closing, I wish you the very best for a successful convention and look forward to working with you in the future. The rebuilding of post-war Liberia presents enormous challenges and opportunities. Let us all accept the challenge to make Liberia GREAT AGAIN!

Sincerely,

Robert Garguah
President, LCAG

Let Us Sing  
Let Our Cheer...ful Voices Ring  
Sweet Music Swells, The Chorus In The Air  
Trailing The Whole Creation Fair

## **Refrain**

B. W. - - - B. W.  
Harris School - - - - Harris School  
Our Cheerful Hearts Unto Thee We Raise  
B. W. - - - B.W.  
Harris School - - - - Harris School  
O May Thou Name For...ever Reign

Praises To God B. W. Harris School  
Praises To Him O King Of Love  
Thanks Be To Thee For B. W. Harris School  
Sing Praises To Our God Above

Sing O Sing - - - Sing O Sing  
Unto Our King - - - - - Unto Our King  
Let Our Cheer...ful Voices Ring  
Until At Last We Meet Him In The Sky,  
To Win The Everlasting Prize

# *The Liberian National Anthem*

*Daniel B Warner  
Olmstead Luca*

**All Hail Liberia, Hail, All Hail Liberia, Hail!  
This glorious land of liberty shall long be ours.  
Tho' new her name, green be her fame, and mighty be her power  
In joy and gladness with our hearts united  
We shout the freedom of a race benighted  
Long live Liberia, happy land  
A home of glorious liberty by God's command.**

**All Hail Liberia, Hail, All Hail Liberia, Hail!  
In union strong success is sure, we cannot fail.  
With God above our rights to prove, we will over all prevail  
With hearts and hands our country's cause defending  
We'll meet the foe with valor unpretending  
Long live Liberia, happy land  
A home of glorious liberty by God's command.**
