Message from the National Chair

My Fellow Alumni:

Welcome to the 22nd Annual Convention and thank you for your support of our Alma Mater. Thank you North Carolina for hosting us.

This is the 22nd year of our Association and the third year since you first elected me to serve as National Chair. In reflection, when I decided to seek to serve in this position, I had several overarching goals:

a) **Do more for more students in our school.**
b) **Substantially improve our financial posture.**
c) **Significantly grow our Association.**
d) **Build on the transparency and accountability systems in place to provide current information about all our activities to our members.**

As I enter the last year of my service in this position, I can say that we have reached each of these milestones or are well on the way to achieving them. We have indeed done more for more students than ever before, we have more money in the bank than ever before, and yet have spent directly on more students than ever – the Projects have benefited every student at every grade level. This is the first for the Association. We have a more active and contributing membership, and our transparency and accountability systems have been enhanced by keeping members contemporaneously informed of all Association matters.

In this last year of service, we are committed to stay the course and will leave our B. W. Harris Episcopal School Alumni Association-USA, Inc. stronger and more viable than it was when we assume the leadership in 2011.

Thank you again and I wish each and every one of you a successful 2014 Convention.

Gudrun Harris
National Chair
B.W. Harris Episcopal School Alumni Association-USA, Inc.

Message from 1st National Vice Chair for Programs

Fellow Spartans:

With over two decades of history and tradition, BWHAA, USA has made significant efforts to bring pride to its alma mater over the years, and support various programs with a coherent enterprising spirit. These efforts have led B. W. Harris School, our alma mater, to become a high school that consistently delivers quality education, thereby producing Liberia's best future leaders.

As we continue to experience rapid changes in a borderless global environment today, we need to equip the students of B. W. Harris School with the necessary knowledge, skills and competency level to compete in this new world order. We must continue to network closely with our members, both locally and internationally to tap into the collective strength of the larger Alumni, and provide the needed support for our alma mater. This will help to enhance B. W. Harris School's prominence as one of the best high schools in Liberia.

You may not have noticed, but the impact of your contributions can be seen every day in the lives of our students—young men and women striving to learn and someday make the world a better place through their actions. Whether you made a gift, supported a scholarship, added B. W. Harris School to your will, sponsored an event, or developed some sort of partnership, you made a difference in the lives of our students. Your generosity is helping to prepare the next generation of B. W. Harris School graduates to give back to the community and the world.

My fellow Spartans, the key to the successive development of our Association is that graduates be active. It is my hope that each member can share the pride of being a B. W. Harris School graduate, thus I expect that each member will continue to make efficient use of alumni network. I sincerely wish that you will continue to support the various initiatives organized by the Association and hope that you will regularly visit our website as it will foster better network and bring members together.

I thank every one of you for your enthusiastic and continuing support in bringing BWHESAA, Inc. USA and B. W. Harris School to greater heights.

Sincerely,

Darren Wilkins '88
1st Vice National Chairman and Chairman, National Convention B. W. Harris Episcopal School Alumni Association, Inc. USA

Message from 2nd National Vice Chair for Membership and Public Relations

Fellow Spartans:

Allow me to take this moment to extend my heartfelt greetings and welcome to all Spartans, supporters and friends, who have traveled from far and near to attend this Convention.

I bring you warm felicitations on behalf of the Membership Committee and my family. I can proclaim to all that we are blessed, after all the challenges, we are still strong.

Serving my dear Alma Mater as your 2nd Vice National Chair for Membership and Publicity, is an honor and task that I've committed to and will diligently continue to fulfill.

We've had many challenges as many of you are aware, but through it all, we are more than conquerors. Our focus is to do all humanly possible for B. W. Harris School and the children of the institution, who are tomorrow's future leaders.

As we deliberate during this 22nd Convention, I admonish you all to keep your eyes on the prize and press to reach our goals. In unity there's strength.

Our doors will always be opened for constructive criticism, remembering that we are here to help build up our dear Alma Mater and not to destroy. This is work in progress.

Let's take a moment of silence for all our departed Spartans and loved ones; may their souls continue to rest in eternal peace.

Peace and love my fellow Spartans. May God continue to bless B.W. Harris and us all.

Message from the President of North Carolina Chapter

My Fellow Spartans and Friends,

The officers and members of the North Carolina Chapter welcome you to the 22nd reunion of our illustrious alumni association. It is with great honor that we host this extraordinary weekend. This is a privilege unlike no other that has been bestowed upon us.

We have graciously enfolded this opportunity to showcase our Southern hospitality to our fellow alumni and guests, who have exhibited their commitment, perseverance and the development and expansion of our Alma mater.

The North Carolina Chapter has worked unremittingly to assure that the highest level of success will be achieved. We intend to not only focus on our alumni, but also on their families, thereby making sure there is something for everyone to enjoy.

As with every convention, one of the key focal points is increasing our membership. This year we are challenging all chapters to join us as we embark on an intensive campaign to locate our "Spartans" who have lost interest in the association for whatever reasons. We hope to rekindle interest in this association and also enroll new members. Chapter heads, your role in achieving this goal is pivotal. Remember, every member makes a difference and every gift benefits our cause.

We want to take this opportunity to thank each and every one for their hard work and support including our patrons, without whom this wouldn't be possible. To our fellow chapter members that devoted all that time and energy in making sure this was a success, we also say THANK YOU.

To our guests, we welcome you to the "Queen City" and hope that your stay will be a pleasant and memorable one. Coming together, staying together and working together is success.

Richard A. Wright, Sr.
President, North Carolina Chapter.

Message from the Principal of B. W. Harris Episcopal School

I bring you Spartanly Greetings!

On behalf of my entire School, I extend congratulations to you for completing 22 years of success as an Association in the United Stated of America. You have achieved tremendous growth and have built eminent goodwill in the community and our school. You have always tried to provide the best improvement and services to the students of BWHES. Your gifts are always marvelous and appreciable.

With your commitment and sincerity you have time to time proved your worth and have gained the much deserved recognition and fame. Congratulations from all of us for your wonderful journey of 22 years of success and I hope the same for the future also. I hope your Association will reach for new heights in the coming years.

It is my hope that you will continue to inspire others to work for the greater good of all schools in Liberia. Because we have produced a brilliant team of dedicated alumni who are able to work with such diversity and maintain a friendly work environment, this can only aim for highest results. Working with you has been a real honor and I value each and every one of you.

I thank all of you that have turned out for this all important event, to give your support for the improvement of learning in our country Liberia, and to help the world to be a better place for all children. As Marva Collins said, "There is a Brilliant child locked up inside every student." The key to helping a child is providing a safe environment for them to learn. May our good God continue to bless and strengthen all your efforts as you continue to build the future of Liberia through educating of B.W. Harris's students.

June 7th, 2014

Greetings from me and my family. Holding the celebration of the 22nd Convention in North Carolina is historical. Those who attended Saint Augustine College will be happy to be back in their "home" state. It is noteworthy that some of the students from B. W. Harris who attended St. Augustine became leaders of the Association.

I am very proud of you the members of the Association for your hard work and dedication to your Alma Mater. Keep up the Spartan spirit and continue the good work which you all are doing.

Let me also take this time to congratulate the National Chair, officers and members of the Association, as well as the President, officers and members of the North Carolina Chapter for planning and holding a successful Convention.

Finally, I wish to congratulate my students of the Class of 1981 on the 33rd Anniversary of their graduation from B. W. Harris Episcopal School.

Dear Friends,

On behalf of the State of North Carolina, it is a pleasure to offer warm greetings to everyone attending the B.W. Harris Episcopal School Alumni Association's 22nd Annual Convention. Ann and I are pleased to welcome you to this exciting event and to the beautiful City of Charlotte. During this year's convention, I hope you will find time to enjoy the beauty and attractions that make our Queen City a wonderful place to live, work and raise a family.

The B.W. Harris School has been a source of hope in Liberia since the mid-twentieth century; and despite being closed during a civil war in the 1990s, continues to educate and enrich the lives of its students. As alumni of this prestigious school, you understand the importance of ensuring students in Liberia and across the globe have the support and resources they need to pursue their goals and follow their dreams. Graduates can be found in all walks of life and communities, but remain connected by the memories and foundation you received at B.W. Harris Episcopal School.

Message from the Capital Campaign Committee

Fellow Spartans:

As we begin our 22nd Convention, we would like to thank all members for your contributions to the Capital Campaign. The Capital Campaign is the largest cornerstone of our work for our Alma Mater. It affords us core capacity and capability to achieve our objectives.

This year, we have again reached milestones in our Capital Campaign. However, we will not achieve our goals until every member who registers each year makes a contribution to the Capital Campaign. We have made great strides and have more to achieve. We can only succeed if you contribute. We can only do for our school if you contribute

As we thank all contributors, let us show special appreciation to our 2014 Lifetime, Gold, Hall of Fame, Wall of Recognition, Wall of Memory, Spartan Pride, Annual Giving, the Endowment Fund and the Building Infrastructural Development contributors. You make the difference.

For 2014, there are a number of members who deserve special recognition and special thanks for their standout contributions:

- **Gudrun Harris for becoming the highest contributor to date in the history of the Association.**
- **Rosalyn Coleman, Varney Coleman, Stella Marjon Wiles Greaves, J. Saba Kla-Williams II and Daffeh Hansford for attaining Lifetime Membership. Rosalyn Coleman becomes the first Honorary Member to reach Lifetime in the Association.**
- **Ophelia Acolatse, Daffeh Hansford and Handel K. C. Diggs for contributing to all funds of the Capital Campaign for the 22nd Convention.**

As we gather this year, we ask you to commit to contributing to the Capital Campaign. The only amount that is too small is no amount.

Thank you.

Cllr. Mohamedu F. Jones, Esq
Chair

Honoring Bishop Bravid Washington Harris

BISHOP BRAVID WASHINGTON HARRIS
1896-1965

The purpose of the Honoring Bravid Washington Harris initiative which was established in 2013 by Cllr. Mohamedu F. Jones, Chair of the Capital Campaign, is to remember the legacy of a man who lived not for himself but for others. The main goal is to help raise funds for our Alma Mater and to celebrate the 55th anniversary of the founding of B. W. Harris Episcopal School in Monrovia, Liberia.

Honoring Bravid Washington Harris at our 23rd Annual Convention in Maryland 2015 will commemorate the pastoral works of Bishop Harris, his contribution towards education in Liberia and to keep his legacy alive.

Our anticipation with the help of all Spartans is to raise $100,000.00 (One Hundred Thousand Dollars). Our dream can be materialized only and only if all Spartans get involved and with God's help we can do it.

Thank you.

David Moore
Chair
Bishop Bravid Washington Harris Honoring Initiative

Message from the Academic and Scholarship Committee

Fellow Spartans:

Congratulations to the North Carolina Chapter for hosting the 22nd convention. Delivering education is a universal requirement requiring universal involvement. Together, I hope to see us break new grounds in pinpointing specific areas of need and solutions for the 2014/2015 academic school year. Our involvement means that we will be helping students who lack basic reading and mathematical skills and in the long run prevent hundreds of adults who may be illiterate. As we embark on making preparations to convene at our 22nd convention, let us remember that our goal is sustain and maintain a quality learning environment with professional teaching staff for all children at B W Harris.

The B. W. Harris Episcopal School Alumni Association-USA, Inc. Academic and scholarship program provides scholarships to deserving and suitably qualified students registered at B. W. Harris Episcopal School without discrimination of race, religion, creed, gender, age or grade level. Over the years we have made quite an accomplishments and plan on increasing the number of students awarded each year. Scholarship is awarded to all students K-12th grades.

Here are some of our Accomplishments:
17 students were awarded scholarships in 2011/2012 academic year.

30 students were awarded scholarships during the 2012/2013 academic year totaling $12,695.
35 scholarships totaling $15,640 was awarded for the 2013-14 academic year.
50 students received scholarships since the program began in 1994.
50 families received assistance over a 20 years period.
80% of high school scholarship recipients graduated top of their class.
Monetary donation received in the amount of $1200 for 2011-2012 academic year.
Monetary donation received in the amount of $3,550.00 for 2012-2013 academic year.
Monetary donation received in the amount of $3,240.00 for 2013-2014 academic year.
Donated three sewing machines.
Metro Chapter donated $6,000 for books for the library.

This year, we initiated a scholarship fundraising campaign with a goal of $10,000. Hence the need for concerted actions, consider sponsoring tuition for a child at any grade level or contribute to a portion of the tuition. You can send in your donation, either by check or through PayPal on the alumni website www.bwharrisalumniusa.org/. Let me explicitly thank all of our donors and we look forward to your support for the 2014/2015 academic school year and a higher level of commitment.

We need to get this right, I am confident that everyone at this convention knows what it takes to get it right. I encourage you to help make a difference in a student's life. Your donations are tax-deductible.

B. W. Harris Honors Her Queens

Use the "Crown for a Purpose" to make a difference.

The idea to honor our former B. W. Harris Queens for their accomplishments over the years was thought of by former Miss B.W. Harris, Amanda Harris Wright, Chair of Convention 2014.

I was heart-broken after hearing stories from home, regarding girls and their negative self-image…resulting in low self-esteem. I decided what better way for former queens of our beloved institution to make a necessary impact, than to help in promoting positive self-esteem through mentor-ship and being positive role models the girls could emulate.

After giving birth to the idea, it was shared with former queens of B. W. Harris who responded affirmatively and were encouraging in embarking on this project.

We are envisioning that with our help, the young ladies will:

- **Be encouraged to get involved in community service**
- **Promote, honor and advance the status of girls attending B.W. Harris, a part of the association, living in Liberia, and beyond.**

We hope this; will be the start of something wonderful. It is in our hope also, that the young ladies come to see beauty pageants, not just as contests, but as opportunities to make an impact in the community where they reside.

I would like to extend a special thanks and appreciation to all the former queens for their input and participation. And to everyone else who had a hand in making this event possible.

Highlights of the 2014 Convention Committee

The National Convention Committee has continued to work closely with the host North Carolina Chapter and the National leaders to plan the 2014 Convention. The collaboration has been focused on making all the components of a successful Convention work seamlessly.

One historical milestone that was achieved was that North Carolina presented its draft At-a-Glance at the October Board meeting, a full 9 months before Convention, making it the first chapter to accomplish such a feat in the history of the Association. This was achieved because of the productive relationship that North Carolina has fostered with the National Chair and the National Convention Committee.

An exciting and new development for the 2014 Convention is the recognition of our Queens over the years. North Carolina Convention Program Chair and former Ms. BW Harris Amanda Wright, is working closely and diligently to ensure that our Queens receive the recognition they deserve. She is making contact with former Queens and works closely with the Convention Committee to plan this part of the program,

Continuing the innovations that the host and the Convention Committee are introducing in 2014, for the first time, we will have multiple colors of t-shirts for chapter members and non-affiliated members. Each chapter will work with the Convention Committee to design its t-shirt, which will be placed in the packages of registrants.

The closely working relationship between the host chapter, the National Convention Committee and the National Officers offers a model for success going into the future.

The National Convention Committee comprises:

Darren Wilkins
Handel Diggs
Joanna Richards-Freeman
Albertha Gillespie
Dorothy Richards-Tolbert
Abdul Sherif
Angeline Bishop-Oshoko
Theodosia Elliott
Gloria Caine
Amanda Wright
Owen Neal
Wanda Jones
Victor Gibson

The Liberian National Anthem

All hail, Liberia, hail!

(repeat)

This glorious land of liberty
Shall long be ours.
Though new her name,
Green be her fame,
And mighty be her powers,

(repeat)

In joy and gladness
With our hearts united,
We'll shout the freedom
Of a race benighted,
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!

(repeat last two sentences)

All hail, Liberia, hail!

(repeat)

In union strong success is sure
We cannot fail!
With God above
Our rights to prove
We will o'er all prevail,

(repeat)

With heart and hand
Our country's cause defending
We'll meet the foe
With valour unpretending.
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!

(repeat last two sentences)
