- Several meetings with the Host Chapter; many of them chaired by former PennDel Chapter President, Alfred Major

Sub-committee

- Subsequently, we formed three sub-committees:
- Souvenir
- Publicity
- Ad solicitation

Souvenir Committee

Task: The Souvenir Committee's task was to facilitate the ordering and packaging, and distribution of Convention souvenir items, including the souvenir program.

Selected Souvenir: This year's souvenir is T-Shirt

Other combined to form the "Convention Souvenir Package."

Drinking Water ----- Handel Diggs and Albertha Gillespie

Hand Sanitizers, etc -----Dorothy Richards- Tolbert

Other Items -----Counselor M. F. Jones

Souvenir Program: The committee also designed and developed the souvenir program for printing.

Publicity Committee

Task: To create national and global awareness for the Convention.

This committee did a remarkable job of publicizing convention through a variety of media including:

Internal communications (Press releases, announcements, etc),

TLC Africa,

Other alumni association

Through the newsletter

AD solicitation Committee

The Ad solicitation committee's task is to solicit advertisements for the souvenir program.

Headed by Spartan Dorothy Richards-Tolbert, the committee did an excellent job of garnering adequate advertisements of the souvenir program.

We reached out to chapters, classes, individuals, businesses, and communities.

We were able to solicit a total of 15 advertisements:

| | |
|------------|---|
| Chapters | 6 |
| Committees | 2 |
| Classes | 5 |
| External | 2 |

Host Chapter

Host Chapter was able to come up with all of its deliverables

Preparing and submitting the At-A-Glance,

Identification of venues for convention activities,

Selection of caterer, DJ, photographer, etc

The National Convention Committee was able to receive the fullest cooperation of the host chapter

Overall, the national leadership, the National Convention Committee, the host chapter was able to complete all tasks necessary to ensure a successful convention.

Despite this, there were several challenges that will need to be addressed to ensure all future conventions are seamlessly planned and held.

Challenges

Difficulty in soliciting ads

Members who originally agreed to be part of the National Convention Committee were unable to participate

Observation

Host Chapters have challenges that could hurt convention

As we grow, new features are added to annual convention which also involves additional costs

These have increased the overall cost of hosting convention

e.g. the cost of printing souvenir programs, T-shirts, convention badges, identification cards, etc....

The graph is a cost analysis; breakdown of the additional costs.

Cost of Souvenir package

| | |
|------------------|---------|
| T-shirt | \$7.00 |
| Souvenir Program | \$13.50 |
| Badges | \$ 0.67 |
| Labels | \$0.10 |
| Bags | \$7.00 |

Total **28.07**

Recommendations

Host Chapter should undergo a "CONVENTION ORIENTATION" at board meeting.

Issues to be discussed:

Check-list explained

Responsibilities of NCC and Host clarified

Deadlines, milestones, and deliverables clarified

Other

Identify a "housekeeping" team or firm to ensure that convention venues are prepared before and after convention festivities.

Post-Convention

Set-up a Post-convention ad-hoc committee that consists of members from the follow:

"To be" Past Host Chapter

Membership Committee

National Convention Committee

The primary task of this committee is to ensure "going concern."

Number of pages in souvenir should be reduced

1. Eliminate certain pages from the Souvenir program to reduce the cost of production

Board members on committees

Reduce the number of board members on the Convention Committee:

Board members have to attend board meetings and other activities and may not be around to perform assigned tasks.

Price and space on website

Increase prices of Ads

Provide space on the Website for Ads to be place for a certain period as an incentive

Encourage Chapters and Committees

Encourage chapters and committees to purchase ads

Encourage chapters to solicit at least one AD from their community and individual members

Email account and PayPal

Provide a dedicated email account with enough storage space for Adds and development of souvenir

Create a PayPal account for the ads

Conclusion

Overall, the year in review saw a lot of progress in our endeavors.

Despite this progress, more work and contributions will be needed to continue to bring improvements to our alma mater.

In addition, if the recommendations mentioned are taken into consideration, we should see much improvement in convention planning and hosting.

The following members were applauded for their work and dedication.

Handel K. C. Diggs

Spartan Mona Diggs suggested housekeeping that the host chapter should take responsibility of housekeeping during the convention event.

Jones suggested that instead of passing a motion, such decision should be the prerogative of the Executive, Spartan KC Diggs also suggested that additional questions/concerns as it relates to the Ads should be submitted to the Convention Committee.
