

Touching Heart held their 3rd Annual *Kids on a Mission* Fun Run on October 10, 2015 at Chantilly High School in Chantilly, Virginia. The event was organized by five young future leaders Neha, Aadi, Rhea, Mihir, and Riya. These 5 kids ranging in age from 9 to 12 spent countless hours planning, marketing, budgeting for this event. They were really moved after a teleconference call with Mr. Eugene Bedell and seeing photos of the children they would be helping. It gave them even more determination to do everything they could to make the Fun Run a success by asking companies for sponsorships, stores for raffle items, donations from neighbors, and getting a large crowd to participate. The event was on a gorgeous fall day, a perfect day for a 5K and Family Fun Run. There were so many impressive runners for the 5K, many as young as 6 years old! There were also fun games, sports trivia, pumpkin painting, and a raffle which was enjoyed by all. The five leaders gave B. W. Harris Episcopal School in Monrovia, Liberia over \$2,000 to purchase school supplies. A true model of kids helping other kids.

The National Chair of the B. W. Harris Episcopal School Alumni-USA, Inc. Joanna Freeman Richards, expressed thanks and appreciation to Touching Heart for the generous gift, noting the work done by Neha, Aadi, Rhea, Mihir, and Riya. She committed the Association to expending the funds exclusively for the purpose for which it was given, and to share all information regarding it with Touching Heart.
